indespension.co.uk

Whether you need to carry transit vans or drive-on machinery; a Ferrari with low ground clearance; or even a tractor, Indespension has a vehicle transporter trailer to meet your requirement. Our vehicle and car transporters are built to be lightweight, strong and reliable with a range of specification and options to suit your requirements and budget. Within the range there are two distinctive ranges available – our tilt deck trailers and two fixed bed trailers.

The fixed bed trailers from Indespension are fitted are built with 18mm phenolic resin coated plywood centre decking, which makes these trailer versatile for carrying a range of goods. They are also fitted with easy slide galvanised pull out steel ramps, which are unable to be fully removed, which avoids lost parts! Out tilt bed range of trailers are designed to enable the loading and unloading of very low vehicles . Built and constructed with an all steel hot dipped galvanised chassis provides maximum strength and durability, with no rusting.
