indespension.co.uk

Indespension is your number one choice for plant trailers, from our industry leading AD range to the super light-weight Alumax we have a trailer that is right for the job. All of our plant trailers are fitted with seal for life bearings and hot dipped galvanised chassis for strength and durability.

The Alumax is an industry leading trailer with a payload of 2,910kg. It is fitted with auto adjust brakes, aluminium decks and ramps and has a low bed height and loading angle. The Beavertail trailers are fitted with ALKO industry leading brakes and the AD Range have a chassis tread plate construction, premium Auto Adjust Brakes and dual voltage LED lights.
